# Entrepreneur Boot Camp Testimonials

*I've been a small business owner for over 4 years. I'd highly recommend this course. As we've gone through start-up mode and are now finding a steadier pass, it was great to be reminded of things that should have been done but were overlooked. It was good to know the things you're doing right.*

*Awesome! Great speakers, good information, and covered all aspects of a business. This class was an intense two days that really made me think about all aspects of owning a business – good & bad!  
Thank you!*

*An outstanding experience. Helped me learn about starting a business. Excellent.*

*I came into the boot camp with total fear and apprehension – not knowing where to even start. By the end of the two days, I feel more confident and sure of the steps I need to take to assure a well thought out beginning for our new business.*

*The Entrepreneur Boot Camp was excellent. It made me think about areas I had not previously considered. Each presenter offered something valuable. Brad did a terrific job putting the program together and presenting.*

*Entrepreneur Boot Camp was an eye-opening experience. The presenters were all so helpful and answered questions when they came up.*

*This is exactly what I needed to put together my business plan, it gave me the tools I need to succeed!*
