

## Power Limited Continuing Education Training

This course will provide the required eight hours of continuing education needed to renew your Power Limited Technician license. While helping you better understand the systems you will be working on, we will cover theory, applicable articles and sections of the NEC, and electrical calculations used on the job. All content will be presented in an understandable format. Students will need a current edition of the NFPA National Electrical Code.

**Dates:** Friday, October 22, 2010  
**Time:** 8 a.m. to 5 p.m.  
**Location:** Alexandria Technical College  
**Instructor:** Steve Viotor  
**Fee:** \$190

### Learn from a top-rated instructor, Steve Viotor...

Steve is a licensed Master Electrician and a full-time instructor in the Construction Electrician program at Riverland Community College, Albert Lea, MN. Steve has been helping Minnesota companies and individuals keep up with National Electrical Codes for decades.

### Registration

- To register, complete the registration form and return it with the registration fee. Advanced paid registration numbers will determine whether or not a class is conducted.
- See registration form for contact information, policies, cancellations, and accommodations.
- The information in this flyer is available in alternative formats upon request by calling 1-888-234-1313 or 320-762-4510
